Most respected Sir

I most respectfully beg permission to state that my widow daughter Mathura bai Ukkoor is a stipendiary state boy student in the Grant Medical College Bombay and gets Rs 25/ per month Having passed L M in June last stands in the 4th Year Senior class and will be due for the final L M & S in June 1914

The college fees for the 4 & 5th year are higher and so also the class books are very costly Besides how costly Bombay life is too well known more still in case of female students Under the circumstances, while we during vacation in September last my daughter submitted her application to the Senior Surgeon and Secretary commissioner in Mysore, for increase of stipend and purchase of Books and her reply to her was, that her case has been submitted to the Government with the recommendation and the result would be communicated when received
